Professional can be entered by everyone but teens regardless of what their lift numbers are. There is no drug testing in this division.

Amateur (AM): This division is a drug-free division. Any lifter under suspicion of drug use will be required to undergo a urinalysis test (SPORTS I EXPANDED). If the test results are negative, the meet director will absorb the cost of the drug test. If the test results are positive, the lifter will be responsible for all expenses associated with the drug test, and their lifts for the competition will be disqualified. A lifter testing positive will be permanently banned from lifting in the AM Division.

If the lifter enters **AM** and achieves a **Pro** qualifying lift, the lifter will either automatically be transferred to the Pro Division in the

same meet (same weight class and sub-division), or have the option to pay for the urinalysis required to attain **Elite** status.

Elite: Those whose lifts qualify as **Pro** yet want to provide proof that they are not using any performance enhancements on the tested list. Elite lifts are only available in the Open division and will be scored in competition with the Pros.
